

Quality Policy

At Teejay Lanka, we are committed to ensuring that the fabric we manufacture and deliver is of a quality commensurate with the requirements, needs and expectations of our customers.

We will strive and are committed to continually enhance our processes and quality management systems, while adhering to the context of the organization and to satisfy the respective stakeholders.

We will ensure that this policy is understood, implemented and maintained at all levels of our organization and is reviewed from time to time to evaluate its continuing suitability.
